## Tamera Smith Allred

Hello Marc Boldt, My name is Tamera Smith Allred. I am a mental health therapist in private practice on Officer's Row. I just wanted to write and thank you for all that you are doing to get our county back on track. I just got finished reading The Columbian for the past few days, I was behind. I read about the latest disturbing behavior from Madore that actually brought you to tears. I was very touched by your desire to have a cordial relationship. I was also angered at his lack of willingness to collaborate, and create community. It has been a nightmare having him in a position of power. I am so thankful you are the county chair. Keep your spirits up. I really believe you are going to have success. You are already bringing the kind of government back that we need so deperately. Take Care, Tamera Smith Allred, LMHC

I have been waiting for this day since I was on the Clark County Republican Party Exec Board and they were voting to censure you.

I was loudly against it, made sure they all knew it.

Got kicked off the Board for it.

I would do it again in an instant. Never liked those folks

Thank you so much for your support. We are going to Brickhouse on Main Street at 9:30 if you want to join us

You are so very welcome.

I am a single mom at home with my kids, so will tip my glass of ice water in your honour
