Hi Mark,

I wanted to check in with you to let you know that I have made the decision to move on to a new chapter.

My husband and I have put allot of things on hold over the past few years and we are looking forward to new adventures.

I also want to thank you personally for always making me feel like a respected member of the team and for your kindness to me over the past couple of years. I hope that I was helpful to you in some small way.

Please extend my thank you to Linnea and Tina and Rebecca. They are top notch professionals and I appreciated them very much.

I am grateful to have ended my professional career working with David Madore, a man of such high integrity and kindness and love of community. I came from a industry that was dominated by male bosses and I can tell you that it was a privilege to work with a man who treats both woman and men with equality and such professional respect and appreciation.

Would you be so kind as to ask facilities to remove my desk from Councilor Madore's office. If you could ask them to just put everything in a box, I'll pick them up soon. That will give David more room and maybe he can get his nice conference table back.

Wishing you all the best and a great holiday season!

Best regards,

Anna
