Re: \$1 off for taking the bus. Please be sure to work with John Morison and our Fair marketing manager to decide whether or not to offer \$1 off for talk the bus. Then communicate that decision to Scott Paterson at C-Tran ASAP. They plan to publish their fliers soon. My suggestion s to not offer the discount. But your call. Thanks

My previous email said that if bus fare was free we would not offer a \$1 discount. We will get the word out.
