Dear Mr. McCauley and Ms. Reis:

I have witnessed a number of improprieties while working with Councilor David Madore, including his willful destruction of public records. Further, I have been the recipient of harassment and bullying. I believe this adverse treatment toward me is because I am a female. By and through this email, I am requesting whistleblower protection and protection from retaliation as a consequence of reporting discrimination.

I am prepared to speak publicly about what I know in order to expose wrongdoing and to speak out on important matters of public concern.

Thank you for your prompt action,

Jennifer Clark
