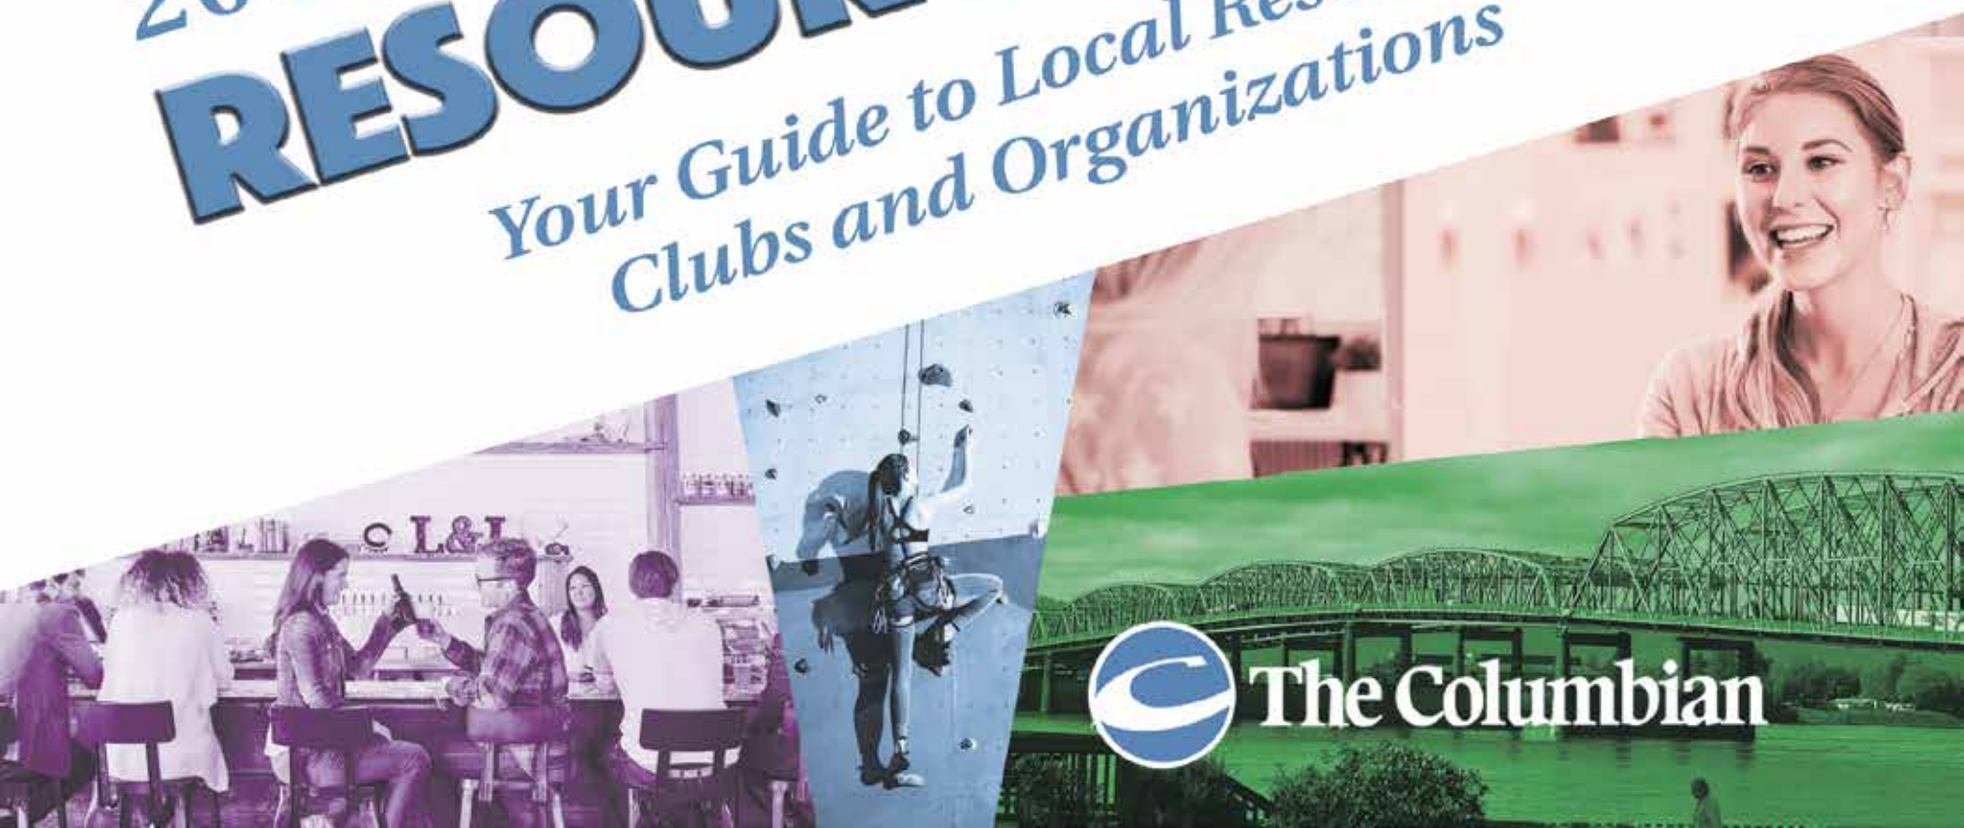
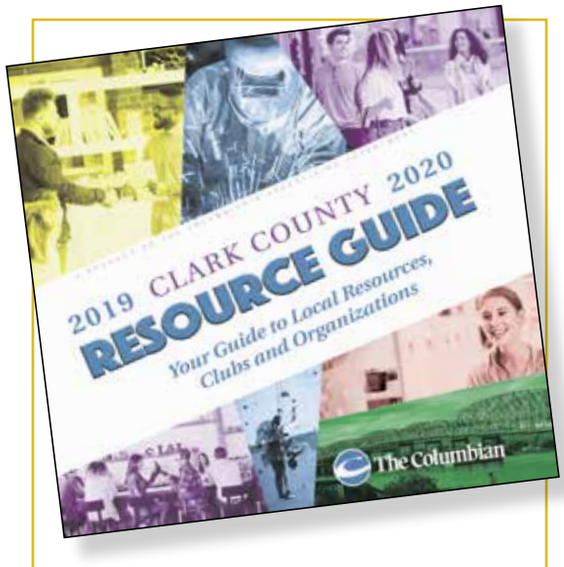
2019 CLARK COUNTY 2020 RESOURCE GUIDE

Your Guide to Local Resources, Clubs and Organizations



The Columbian



The Columbian Resource Guide is our annual publication of all things Clark County. Questions about local Clubs? Check the Resource Guide. Wondering about schools, local government or who to contact to license something? It's probably in the Resource Guide.

The Columbian Resource Guide this year is resized and stapled to be a higher quality and more valuable tool that you will want to keep handy for access all year. While not comprehensive, because club & organizations information is reader submitted, it does include a lot of community information and the services, support and activities available.

The directory of clubs and organizations is also online at columbian.com/resource-guide This online portal can be searched by category for ease of use. New and updated information can be submitted online for inclusion in next year's print guide, and accessible online.

We hope you find the Columbian Resource Guide to be a useful resource for the 2019/20 year.

Dianne Morris
Real Estate Broker

"Dianne's experience and knowledge in the real estate business are invaluable! She provides the time and attention to each client helping them understand how they can make their property the most appealing to potential buyers. She has ability to understand the market conditions and helped us sell our home quickly with the right marketing. We are very happy with how Dianne handled the sale of our home and would highly recommend her!" – vampgardener

"I've worked with Dianne twice now, first to buy a house in 2008, and more recently to sell the same house...and move to a different state. She's trustworthy, knows the market well and gave my husband and I good advice on what to price our property based on her research and due diligence. Dianne had planned to bring in furniture and decorations to stage our house for showings (a nice bonus), but we didn't even get to see her interior design skills in action because she was able to sell the house before it was even listed! Overall, she is a very professional, knowledgeable and friendly realtor we would work with again." – susiecontest

Dianne does real estate differently, taking only two to three clients on a time, so that they get her full attention. Dianne also stages every home at no charge for maximum results and profits. Providing 5 Star Service for 13 years in Clark County with over 25 years of Interior Design Experience.

*Free professional consultation included, offer does not include furniture rental (if needed)

10 REASONS TO LIST WITH A REALTOR®

PRICE.

Homeowners who sell their homes on their own typically generate $46,000 less than homeowners who work with a Realtor.*

TIME.

Realtors have the time and expertise to handle open houses, showings, inspections and the dozens of other tasks that would take you away from your work and regular routine.

EXPERIENCE HANDLING PAPERWORK.

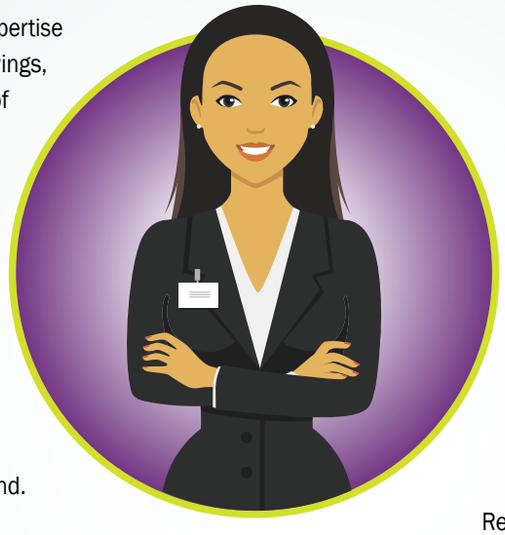
Buying or selling a home involves reams of paperwork that can be hard to understand. Realtors thrive in this world.

KNOWLEDGE OF NEIGHBORHOODS.

Realtors know local communities cold and can help you find a replacement home in the nicest neighborhood and with the best schools.

ACCESS TO BUYERS.

Through the Multiple Listing Service, professional contacts and their own database of prospects, Realtors can help you reach the widest range of customers.



ADVICE AFTER CLOSING.

An experienced Realtor will continue to support you as questions pop up after the deal is done.

MARKETING EXPERTISE.

Realtors know the best ways to advertise to attract buyers, plus they can use the marketing muscle of their brokerage to promote your home.

SALES SKILLS.

Realtors can evaluate your home and suggest improvements to get you maximum value, and they're skilled at handling showings to generate a positive response.

NEGOTIATION SKILLS.

With years of bargaining experience and expert understanding of the market, Realtors can help you close the deal at the price and terms you want.

KNOWLEDGE OF SERVICE PROVIDERS.

Realtors can refer you to their network of top-quality lenders, lawyers, inspectors and repair people to make sure you get the best result in every stage of your deal.

*The typical FSBO home sold for $184,000 compared to $230,000 for agent-assisted home sales. – NAR 2014 Profile of Home Buyers and Sellers

Hasson Company has grown to about 180 full-time real estate brokers in seven offices located throughout the Portland metro area, Central Oregon and Southwest Washington. Our goal is not to be the biggest, but the best real estate company in the Pacific Northwest. Consistently ranking #1 for sales volume per broker, we're small enough to ensure local knowledge, local control and continued community involvement, yet large enough to provide the range of services and technologies typically associated with national companies. Contact one of our experienced and carefully selected brokers to assist you with your real estate needs.

Our office is located in the Hudson Building in downtown Vancouver.

CLARK COUNTY

Motto: Proud Past, Promising Future

Clark County packs a lot into its 656 square miles: seven cities (and part of an eighth), rural landscapes, urban cityscapes, unique neighborhoods, great schools, active volunteers, strong environmental stewardship, thriving businesses, friendly people, mild climate and year round outdoor recreation opportunities.

With its pristine beauty, natural resources and mild climate, this area has always attracted people--from the native tribes of ancient times, to the era of explorers and settlements, and now the modern days of continued growth and industry.

The county's recent history can be characterized by "growth, growth and more growth" in population, jobs and housing. In fact, Clark County is the third fastest growing county in the state of Washington and continues to attract newcomers.

The Columbian COMMUNITY Partnerships

We Support Non-profits that Serve Our Community!

The Columbian, locally owned since 1890, believes in supporting community non-profit organizations through the donation of advertising. We focus our donated resources on groups and organizations that help people or promote programs that positively impact Southwest Washington. Sponsored or donated ad space may be used to elevate the visibility of a community need, an upcoming event, or to raise funds for your organization. Learn how your non-profit organization can benefit from our Community Partnerships Program!

Making our community home

Share provides a spectrum of services—from the Outreach team on the streets and the Day Center at the Vancouver Navigation Center, to emergency shelters and free nutritious meals, to the Backpack program feeding hungry children and subsidized housing for low-income individuals and families, to a matched savings program and permanent housing, and so much more.
