*The Results Are In! Announcing the 2023
Best of Clark County Winners & Runners-Up*

Thanks to everyone who participated in this year’s Best of Clark County. More than 14,000 people nominated over 3,500 businesses during the nomination round in April to narrow the ballot down to the finalists. During the voting round, 15,000 people cast over 120,000 votes to help select the winners and runners-up in over 160 categories.

This year’s BOCC was one of the most competitive ever. The winners and runners-up in several categories were decided by less than five votes. Sometimes the difference was one vote, proving that the saying “Every vote counts” is true.

The finalists put in a lot of work to ask for your support during the voting round. Join us in celebrating them and all the Clark County businesses who make our community great. Be sure to show your support by shopping and utilizing the services of these outstanding organizations.

See you in 2024!

PRODUCING AGENT IN
SOUTHWEST WASHINGTON

“**Rowena Lusby is hands down the best real estate agent I have ever met.** Not only does she go above and beyond to make your selling and buying experience feel like the red carpet has been rolled out, her team shares the same passion for experience. Best customer service you will ever get.

“**I have worked with many agents over the years and Rowena and her team blew me away with their level of service and attention to detail.** The sale of our home was fast and painless – we got multiple offers within days and our final price was over asking.

“I sincerely felt LED and LOVED through my recent real estate transaction! I felt like my home sale was of the utmost importance to Rowena and her whole team, as was the price I wanted to see it sell for. **I trusted Rowena's expertise and my home sold faster and for more than I thought it would.**

Touchmark at Fairway Village recently celebrated its 25th anniversary and was just voted the **Best Retirement Community of Clark County** for the fourth year! We want to thank those who voted and the residents and team members who live and work here.

Our unique approach to service means that residents and team members alike are recognized as the essential parts of the community. We know that the retirement adventure looks different for everyone, so we don't use a one-size-fits-all approach. But don't take our word for it—see for yourself!
